

KinderFest

Miniature Literary Festivals for Miniature People

KinderFests are 2 hour miniature literary festivals for young children. These mini-festivals are perfect for preschools, kindergartens, Pre-Prep and Prep. Three guest picture book creators read their stories, sing songs, have question time and run a simple craft or drawing activity. Sessions can be held with one large group or split into three smaller groups and run on a simultaneous rotating basis. The Story Time and Craft sessions are followed by Book Sales and Signings so children can take home their very own, first-ever personally signed book.
